FREQUENTLY ASKED QUESTIONS

1. When will I receive the cashback? I have not received my cashback yet.

When you choose to shop with PayPal, we have your back every step of the way. Your cashback is instantly available to be used into your PayPal account. Just in case, if you have still not received it,

- a) You can always look out for cashback under the 'Offers' tab on the PayPal App
 - b) You can always look out for cashback under the 'Payment Methods' section on the website
- In certain cases, there might be some delay in crediting the offer discount on account of technical difficulties.

2. Is the Offer valid for international purchases?
Currently this offer is valid only for Indian merchants. However, we will keep you in the loop regarding offers for international merchants.

3. Till when can I redeem my PayPal incentives? My saved offers do not apply automatically

Cashback incentives can only be redeemed within 60 days of the date of award. Also, don't forget to check the expiry date of the cashback in the award email.

4. Is it possible to transfer the offer to another user?

No. The offer is exclusively for you.

5. Can the offer be used by users with PayPal accounts from other countries?

No, this offer is not applicable to users with PayPal accounts in other countries

6. How do you apply the PayPal cashback to your purchase?

PayPal cashback is automatically applied as discount, with the purchase without you having to manually apply it. There is no cash out and payment will not credit your funding instrument.

7. What happens if the purchase value is less than the PayPal cashback in the account?

We only deduct the purchase value from the cashback amount. You can use the remaining cashback for your future eligible purchases.

8. Can the PayPal cashback be returned if the underlying booking (booking on which cashback is redeemed) is cancelled?

Certainly! PayPal cashback can be returned under the following situations. Do give these a careful read.

- I. Case 1: If a user pays INR 100, INR 20 through PayPal cashback and INR 80 through Funding instrument (FI). and the ENTIRE purchase is cancelled:

User gets INR 80 in the FI and INR 20 as PayPal cashback (if the offer is still valid)

- II. Case 2: If a user pays INR 100, INR 20 through PayPal cashback and INR 80 FI and the PARTIAL purchase (INR 50) is cancelled:

First preference given to credit back to FI. In this case, INR 50 credited to FI and no credit of PayPal cashback

- III. Case 3: If a user pays INR 100, INR 20 through PayPal cashback and INR 80 through FI and a PARTIAL refund (INR 90) is issued:

First preference given to credit back to FI followed by PayPal cashback. In this case, INR 80 credited to FI and INR 10 as credit to PayPal cashback as long as the offer is still valid.

9. I have PayPal cashback visible in my account. This is not automatically applied at the merchant checkout through PayPal?

If that is the case for you, visit the Offer Page on the PayPal App, and click on '[See Details](#)'.
Enable

'[Use at next purchase](#)' if it is disabled, and you are good to go!
